MIGHT'S 1963 COMBINED GREATER WINDSOR

(Including REMINGTON PARK, RIVERSIDE, and much of SANDWICH EAST,
SANDWICH SOUTH and SANDWICH WEST TOWNSHIPS)

STREET, HOUSEHOLDERS and BUSINESS GUIDE and HOME OWNERSHIP OR TENANCY DIRECTORY

STREETS ARE ARRANGED IN ALPHABETICAL SEQUENCE SHOWING:

- 1.—Location and description of each street.
 - 2.—Points on each street where other streets cross.
 - 3.—Name of the occupant at each number on every street listed.
 - 4.—Whether occupant at each number is the Owner or Tenant.
 - 5.—Telephone number, where obtainable, at each address.
- The Profession, Line of Business, etc., of individuals and firms is shown in this section opposite their respective places of business. To find the occupation of householders please refer to the white page alphabetical list of names.
 - Where applicable, abbreviations such as Av, Rd, Blvd, Cres, etc., immediately follow street names. If no such abbreviation appears then "Street" is understood.
 - The Symbol (*) following the residence number, indicates that to the best of our knowledge someone living in the house is the owner.
 - A dash (—) after a residence or building number indicates that the occupants were absent at the time of our enumerator's call and therefore information for this address was unobtainable.
 - "Vacant" buildings are so designated.
 - Telephone numbers, as supplied to us on our enumeration, are shown opposite names.

This Publication is the Product of a Member of

Thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of a satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first the interest of the user of the book.

2. To subscribe to and work for truth, honesty and accuracy in all departments.

3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.

4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and director of buyer and seller.

5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.

6. To solicit subscriptions and advertising solely upon the merits of the publications.

7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.

8. To co-operate with approved organizations and individuals engaged in creative advertising work.

9. To avoid unfair competition.

10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.
